*Buses will run at 11:30, 2:20, and 5:00

**Competency recovery should be recommended for any student that has a grade ranging 50-75 to help support them meeting/demonstrating competencies for your class. Any student that wants to attend competency recovery should be welcomed in any class they are enrolled in regardless of the grade as long as they are working to meet the competencies through the various assessments being used to measure them.
