*Follow us on Facebook at Kennett High School Class of 2024 – Project Graduation  
for updates and events.*

Dear Senior Parent/Guardian,

Project Graduation is a nonprofit post-graduation celebration which takes place beginning late afternoon or early evening of your senior's Kennett Commencement exercises. This wonderful event lasts all night and ensures the safety of your child on your family's special day.

Project Graduation is a nationwide effort to provide graduating seniors a safe and chem-free place to celebrate with their peers. It has traditionally been an all-night event, with the first Project Graduation being held in 1980 at Oxford Hills High School in Maine. The year prior, seven students died following commencement ceremonies. This spurred to action parents and the community to provide a safe and memorable celebration available to all seniors.

Project Graduation is a fully self-supporting program which is entirely funded through the generosity of parents, the very supportive residents of the Valley, the Mt. Washington Valley Business Community and by many fundraising events held throughout the school year.

In order for us to create the best Project Graduation night for our graduating seniors, we ask that **each student planning to attend, turn in before or by DECEMBER 1<sup>st</sup>** the following:

\_\_\_ Student sign-up form

\_\_\_ \$100.00 Non-Refundable Deposit

\_\_\_ Additional payment

The number of fundraising events is dependent on how much each family can contribute. The average cost per student is \$300. Final payments are due February 1, 2024.

If you are able to volunteer for any of the Fundraising Events, please check the box on the Student Sign-up form.

Please let any of us know if you have any questions or concerns. We look forward to another successful Project Graduation planning year and an unforgettable Project Grad Trip.
